

## Kissing Madeline

Whats the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a skanky cage girl, Ive learned my lesson never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I wont let anything get in my way, not even the new it boy of the NFL and my hot-as-hell neighbor. Whats the worst thing about getting death glares from his new neighbor? It doesnt make him want her any less. Ive worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I cant stop thinking about the feisty girl next door with the smart mouth. And Id love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea hes ever had. Or the worst.
