

In the best-selling book *The Power of Now*, Eckhart Tolle explains in remarkably clear terms how living in the Now is the truest path to happiness and enlightenment. Tolle is a widely respected teacher whose views go beyond any particular religion, doctrine or guru, showing us how we can access our deepest self by living fully, and intensely, in the now. Amber Lotus Publishing is proud to partner with New World Library to produce *The Power of Now 2008* wall calendar. Each month pairs wisdom quotes by Mr. Tolle with the spectacular photography of David and Marc Muench. The images have been carefully selected to support the teachings of *The Power of Now*, helping readers to connect to this essential wisdom and to stay focused in the present moment all year long. Sample Caption: With the timeless dimension of the Now comes a different kind of knowing... a knowing that does not destroy the sacredness and mystery of life but contains a deep love and reverence for all that is.
