

## Christmas Kisses

How hard is it to NOT have sex with him? Lust has melted Holly Connellys brain and its all Ryan Darcys fault. Hes been ruthlessly flirting with her for the past three years. Ryans a sex god complete with sinful body, endless wit, and an orgasm-inducing smile. One sultry look from him will make her panties jump off her body. His endless string of one-night stands has Holly thinking shell be just another conquest. Since she actually has feelings for the guy, it makes it that much harder to put off his advances. When they get trapped together by a snowstorm, its all she can do to resist him. If Holly says yes, shell probably regret it. If she says no, shell always wonder what if. Genre: New Adult Holiday/ Winter Romance Approx. 23K words
