

After fighting with her boyfriend, Ettie's only goal is to drown her sorrows in some Jack Daniels. But when she walks into a country tavern, her attention is immediately redirected to the sexy, older man at the bar. He looks lonely, and sad, and absolutely mouth-watering. Ettie can't wait to put a smile on his face. For the first time in two years, Wyatt finds himself jolted out of his grief—and by a spunky, vivacious young woman who somehow sees right into his soul. What follows is a passionate weekend full of more life, laughter, and pure joy than he experienced in twenty years of marriage. Wyatt thought one weekend was all he had to give, yet in the days that follow, he can't help dreaming up a future with Ettie. And then a chance meeting shatters his hopes, leaving him more lost than ever. Now Ettie must decide whether to walk away, or to fight for the love she knows they both deserve. Without You Here is the sexy, heartwarming story of overcoming grief, embracing love, and learning to live in the moment.
