

Get fantastic value for money with this huge Fairy Coloring Book! These expertly illustrated fairy designs will provide hour upon hour of entertainment! This fairy coloring book contains 40 single sided coloring pages. This allows you to remove each page for framing or to use as coloring reference in a portfolio for example. This also helps reduce bleed through onto the other designs even if you are using markers, making this book suitable for everything from coloring pencils through to marker pens. The fairy designs contained within this fantastic book are created by various artists, each hand picked by us here at Adult Coloring World to ensure fantastic quality throughout. We know that sometimes you will buy a book after being impressed initially by an amazing design on the cover, only to be disappointed with the books contents when you open it. Well we make sure this never happens with any of our books and we can assure you that all of the designs inside are high quality from start to finish. This adult coloring book of fairies contains a wide variety of imagery. The designs you will find inside also range from very easy simplistic designs right through to the more challenging and complicated, so there will be something to suit all tastes. If you love fairies, then you are sure to love this adult coloring book too.
