

It Had to be You: An Aloha Series Companion Story (Surfs Up Flirts Book 6)

From USA TODAY Bestselling Author Chris Keniston: another episode of the Surfs Up companion Flirts to the popular contemporary romance Aloha Series. One Geek-to-chic billionaire. One beautiful and successful programmer. One high school reunion at the Surfs Up. Zachary Kane was the high school nerd everyone loved to ignore. Only now, its hard to ignore the wealthy, handsome businessman hes become. Liz Cochran is no longer the chubby, shy girl her high school classmates taunted. Smart, successful and beautiful, shes ready to face her past head on. Or is she? One night stepping back in time just might give them both more than they bargained for. More from the author. Whats a flirt? I think of them as episodes of a weekly TV show. Same familiar location and lead actor with guest stars, and of course cameo appearances of the Aloha cast. In It Had to be You we get a peek at our post engagement couple Annette and Mike from Love Walks In. These short story Flirts have been so much fun to write. I hope you enjoy seeing the main characters from the series pop in from time to time as much as I do. Its always fun to see a snippet of their lives between books. If you havent read the rest of the Aloha Series, youre in for a treat. Full length novels about active duty and former navy men and the women and family they love and care about. Some have a little humor, others a little mystery, but all have a lot of heart. Mostly set in Kona around the Big Island Dive shop theres plenty of fun in the sun, so pour yourself a cool drink, put up your feet and enjoy the bestselling Aloha contemporary romance series.
