

Vic Challengers Dream Catcher: Tracking Journal & Notebook for Dreams & Wild Ideas

The Vic Challenger Dream Catcher Tracking Journal and Notebook includes 100 pages for your personal entries. Pages are lightly lined for organized writing. It is a popular familiar size 8.5 x 11, for comfortable writing and space for longer detailed entries. Put pizzazz in your journaling You are unique. In the world of journals, Vic Challenger Journals are unique. They all feature exclusive covers with novel designs. Dont settle for commonplace. Use a refreshingly designed journal as distinctive as you. Your journal includes a table of contents for convenience. By noting topics on a page you can easily find an entry later. Your Vic Challenger journal is ideal for campus note taking (BTW, handwriting aids memory compared to using a keyboard), to record sleeping dreams or to flesh out waking dreams! Capture ideas and inspiration on the go, chronicle a trip or get poetic! Like a best best friend your journal can help you navigate both common pandemonium of life and the more troubled times that you sometimes face. Plus its a fantastic way to celebrate those especially awesome occasions of your life! If you have never journaled before and worry if you can think of anything to write - dont worry. There is a list of ways to use your journal and its guaranteed you will think of new ways. Just get started. Its fun and a practice recommended by educators, writers, counselors and others. Journaling has been a trusted method of personal reflection for millennia and can be a powerful tool for positive change and learning. Vic Challenger journals also make a great gift for any occasion and are available in many styles and for many specific uses - to fit the many distinctive styles of you, your family and friends. Produced by a small, veteran owned business, the Vic Challenger journals are designed and printed in the U.S.A.
