

Treasure Hunters: Secret of the Forbidden City

The Kidds--treasure hunting family extraordinaire--are heading to China, on a journey that will lead them beyond the Great Wall and into the underbelly of Berlin. Bick and Beck Kidd are desperately trying to secure the ancient Chinese artifact that will buy their mothers freedom from renegade pirates. But when the kidnapers force them to locate an even greater treasure--priceless paintings stolen by Nazis, the Kidds must rely on their own cunning and experience to outwit the criminals, all while their moms life is on the line.
