

The Confessions: (Vol. I/1) Revised, (The Works of Saint Augustine: A Translation for the 21st Century) (The Works of Saint Augustine: A Translation for the 21st Century, Vol. 1)

The Confessions of Saint Augustine is considered the all time number one Christian classic. It is an extended poetic, passionate, intimate prayer. Augustine was probably forty-three when he began this endeavor. He had been a baptized Catholic for ten years, a priest for six, and a bishop for only two. His pre-baptismal life raised questions in the community. Was his conversion genuine? The first hearers were captivated, as many millions have been over the following sixteen centuries. His experience of God speaks to us across time with little need of transpositions. This new translation masterfully captures his experience.
