

Yogic Secrets of the Vedas: Exploring the Roots of Yoga and Ayurvedic

The roots Yoga and Ayurveda found in an ancient group of text known as the Vedas (Books of Knowledge). Portions of the Vedas give astronomical references dating back to approximately 6500 BCE; making them among the worlds oldest spiritual teaching still practiced today. To many modern readers, the Vedas are difficult to understand, as they are steeped in symbology, archaic language and multiple meanings for the same term, yet they form the foundation to modern Yoga, meditation and Ayurveda (a healing system). Yogic Secrets of the Vedas approaches these important teaching from a very practical view. Demystifying terms and symbology, examining various teachings, principles and mantras from the standpoint of how they manifest within the readers life on a daily basis, as-well-as their connection with Ayurveda. The exploration begins with a foreword by Dr. David Frawley (Pandit Vamadeva Shastri) and then continues with an examination of the Yoga Sutras of Patanjali, one of the important introductory books on Yoga. The book continues to explore the Vedas connection with Tantra and the form; examining the important role that the feminine form has within the Vedas and yoga, as well, a variety of different yoga such as Kundalini and Hatha Yoga.

The yogi who establishes himself in a steady posture easily becomes Yogeshwar is Shiva as the Lord of Yoga, the celestial ascetic, who after exploring the entire Shiva revealed the secret of Pranayama, breath-manipulation, of being able to teacher (Acharya) of Vedic knowledge, including Yoga, Ayurveda, Vedanta
