

The Investors Guidebook to Fixed Income Investments: Bond Markets--A Handbook for Issuers and Investors

A concise, yet comprehensive, guidebook that addresses the practical aspects of investing in fixed income investments. The Investors Guidebook series presents investment vehicles and strategies from both the issuers and the investors perspectives. Starting with basic concepts and then building to state-of-the-art pricing models, strategies, and tactics, these succinct handbooks will be useful for everyone from new hires through experienced professionals. Unlike most books, which are read once and sit on the shelf, professionals will refer to these books repeatedly throughout their careers.
