

Bankers Never Die...: They Just Lose Interest

Bankers Never Die They Just Lose Interest is a guide to financial health and well-being given to you through the experience and words of a financial specialist, whose own experience working with thousands of people, just like you, for over 30 years has taught him that each and every persons financial health has a direct effect on overall health and well-being. This book relays a truth that is simple, yet which few of us have any awareness of. This is Not Your Fault! Nobody teaches you this in school, and the people who could guide you in the right direction would lose profit doing so. Each person has the capacity and right to strive for financial security and well-being, but the sad truth is that most fall short. Bankers Never Die...They Just Lose Interest was written for people who borrow Money to buy their home, their car, their education and more. This book opens the eyes of its readers to little talked about topics such as: A Simple Game Plan for Paying off All Debt - Your cars, houses, credit cards, All of it Good Debt Vs Bad Debt Knowing the difference can save you thousands Know the Best Mortgage for You How to leverage your home to increase cash flow How to Leverage the OPM Principle - Other Peoples Money, Bankers use this legally every day to make Billions Darcy Schanck has the knowledge and the ability to take an overwhelming topic like personal and professional finances, and serve it up so that it not only makes sense, but more importantly, is actionable.
