

Wind Shadow

Silky is no quitter.... This month-long bicycle trip across summertime Alaska is her chance to get Rex back. Yes, hed made a mistake, and shed divorced him for it. But she has no intention of failing at this marriage. Then there is the complicationthe cop, Wade. When she met him shed made a complete idiot of herself, and low and behold here he is, on the same darned vacation. Getting Rex back is her only objective. So why does she keep tumbling into Wades arms? Hes made it clear he isnt looking for anything but casual relationships. She thought shed made a big enough fool of herself when they met. So just how big a fool will she make of herself with one manwhile trying to win back another?
